Why You Should Cruise With North Star!

- An adventure on the TRUE NORTH is one of Australia's most revered holidays. Guests frequently remark "that's the best holiday I have ever had!"
- Most cruise options feature a ship's helicopter.
- North Star Cruises pioneered luxury adventure-cruising along the Kimberley coast more than 25 years previous. Others cannot equal our experience and knowledge!
- The TRUE NORTH is purpose built for accessing shallow coastal environs and river systems – don't be misled, bigger ships cannot go where we go!
- Importantly, the True North is an Australian registered ship – the ship is not required to leave Australian waters during Australian itineraries. This means that activities can be planned for every day and that there is no idle sea time!
- Experience the destination – our cruises are activity based and daily activities can include scenic walks, helicopter flights, culture, fishing, snorkelling, picnics, diving, exploring, nature and much, much more!
- Legendary and authentic service – the TRUE NORTH welcomes just 36 guests and, an AUSTRALIAN crew uniquely chaperones your every experience ensuring our renowned reputation for attention to detail.
- Avoid the crowds – we carry 6 dedicated expedition boats (not rubber boats) that provide guests with opportunity to experience wilderness in comfort and, in small groups. We can also make greater provision for guests to do "what they want, when they want!"
